

March 19, 2020

Dear Compass Families,

Our thoughts are with you during this unprecedented time. As we continue to work with our online learning platform, I wanted to update you on a couple of things.

Initially, we had planned to return to school on March 26th; however, since the shelter in place has been ordered, we will continue to teach our classes online through April 2nd, which is followed by Spring Break. We would then possibly return to school on April 13th. This will all depend on what we hear from authorities.

We will be offering a Parent Meeting online using Google Hangouts, the application we are using for our student learning, on **Tuesday, March 24th, from 3:00-4:00 PM**. We will give updates on the distance learning program, review the schedule and address questions that have been shared with us.

To join the online parent meeting on March 24th click here: <https://meet.google.com/bxt-sath-ttn>

After our first week of online learning, we made some adjustments. I observed many classes and our students seem to be acclimating well to them. All class meetings will be updated on the [School Closure Calendar](#) and the new schedule is posted on the website.

Thanks,

Doug Killin
Head of School
Compass High School
