*Compass' "Roadmap to Success"™ Program Gains Additional Space*

SAN MATEO, CA (January 28, 2022) – Compass High School, a high school for students who learn differently, announces that it has entered into a lease agreement on a building on the Notre Dame de Namur University Campus. This facility, located at 1500 Ralston Avenue in Belmont, will provide Compass High School with room for expansion beginning in the 2022-2023 school year.

“We are thrilled to be on the Notre Dame de Namur campus” said Doug Killin, Head of School. “NDNU has been a symbol of education and learning for over 170 years. Their beautiful campus in the mid-Peninsula provides an exceptional space to help our students succeed academically and grow as individuals and community members.”

“We are excited to have Compass High School lease space on our campus,” said Lizbeth Martin, President, Notre Dame de Namur University. “Notre Dame de Namur prides itself on providing the tools students need in college and in life. We focus not just on academic performance, but on the ability to be a change for good in the community.”

Compass High School will be located in Cuvilly Hall, in the center of the campus. The building will be used to house classrooms and offices. Move-in will happen early summer to prepare for student arrival in the fall.
